SUMMER 2024

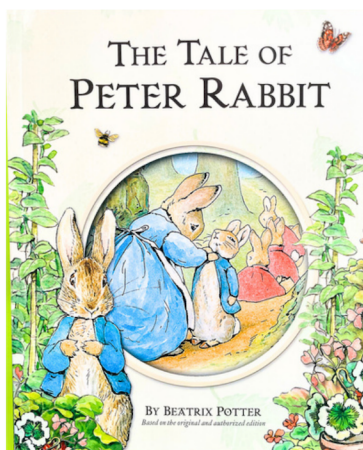

Book for the Summer

Peter Rabbit loves to hop into the garden to collect fresh vegetables.

Today, he's going on an adventure to find the juiciest veggies in the garden.

Cut out the picture and stick it onto a lolly pop stick to make a puppet. Can you draw some vegetables for him to collect?.

Use words like crunchy carrot, plump tomato, hop and jump.

In association with
Dolly Parton's
Imagination
Library!

Make your own vegetable patch!

You will need:

- A selection of vegetable seedlings (depending on what is in season)
- A bag of compost
- A child-sized watering can
- A small trowel
- A planter (or select a patch in your garden!)

Step by step:

- Choose an area for your planter with a minimum of 5 hours sunlight
- Prepare the soil well with mulch and fertiliser and give it a good mix
- Allowing plenty of space, transfer your baby vegetables over to their new plots
- Water thoroughly and allow Mother Nature to work her magic

Cut out your favourite Peter Rabbit to make your own puppet!
