

Coltale's Top Tips

QUESTION:

Is it ok to seek professional advice for my child's speech and language development?

ANSWER:

Early intervention can be crucial. Seeking help sooner can lead to better outcomes in your child's speech, language and communication skills.

Coltale's Top Tips

July 10th is Don't Step on a Bee Day, so Coltale's been reading "Bee" by Britta Teckentrup. Talk about what the bee does, Such as pollinating a flower and 'buzzing' in the meadow.

Coltale's Top Tips

DID YOU KNOW?

Don't Step on a Bee Day raises awareness about the vital role bees play in our ecosystem via pollination.

Bees are vital for our food supply. They pollinate a significant portion of the crops we rely on for food.
