Makaton

Talking does not just involve speaking. Watch someone talking, they will also be using gestures, facial expression, eye contact and body language. All this is communication. Makaton uses speech with signs (gestures) and symbols (pictures) to help people communicate. Would you like to learn some useful signs to use with your child?

As part of our Coltales programme (City of London Talks and Listens Enthusiastically) we post Makaton videos every Wednesday on our social media platforms. Follow us on Instagram, Facebook, Twitter or search [#ColtalesTopTips](#)

Spot Christmas Trees Across the City

See the City sparkle with spectacular lights and trees. Look underneath the Cheesegrater

Building to admire the giant real tree. There are wonderful changing coloured lights to see in Leadenhall Market. There's another great tree in the majestic Royal Exchange and of course the Lord Mayor's Tree outside Mansion House Street.

Stay Well This Winter

Five things the NHS recommends:

- Make sure you get your flu vaccination.
- Come forward for your COVID-19 booster when offered.
- Take advantage of financial schemes and discounts to help you pay for heating.
- Contact NHS 111 online or by phone if you are worried about any symptoms.
- Look out for other people who may need a bit of extra help over the winter.
